water

## Summary

Beginning: There was just water, chaos, and two gods. They decide to make humans.

Middle: One god loves humans and the other hated them. He thinks they're too loud. He decides to get rid of them with a flood.

End: The god that loves humans talks to a wall but behind the wall is a human. The human hears the god tell him to build an ark. The human builds the ark and survives the flood. The mad god decides to leave the humans be.

# Big Boi flood

## Chaos/The Beginning

I'm bored,  
let's make  
humans.

Ok,  
fine

I love  
humans

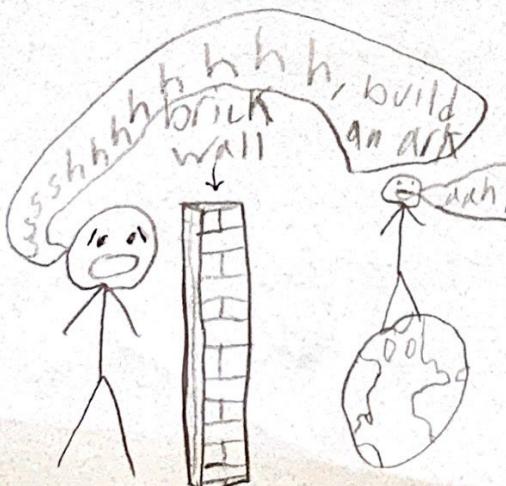

I hate them  
they're too  
loud

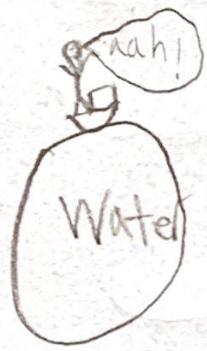

I'm gonna flood Earth  
and you can't interfere!
